## PROPERTY DESCRIPTION

Center stage... feast your eyes upon this beautiful home on Honeysuckle. Try this for "sighs," this home has 3626 sq. ft. of living space! Some of the home's many features include custom blinds, six panel doors, casement windows, upgraded light fixtures and plumbing, and wrought iron spindles. The towering two story foyer has hardwood floors and a decorative ceiling. At your service! Style and speed for the homeowner who does more than cook all day. Come home to prepare meals quickly and efficiently in this functionally designed kitchen. This gourmet eat-in kitchen is large and open to the sun room and family room. The kitchen has an island, stainless steel appliances, a double oven, raised panel maple cabinets, a pantry, and a ceramic tile backsplash. You will love the kitchen's large ceramic tile flooring. Open to the kitchen is a charming sun room with a bay window and ceiling fan. The soaring two story family room will be the gathering place with an absolutely stunning two story stone fireplace. A catwalk on the second floor overlooks the beautiful family room with soaring windows. Dinner at eight! This formal dining room has space for twelve and also has a tray ceiling and chair railing. This home has it all, including a charming den with tray ceilings, chair railing, and double french doors. The sumptuous master bedroom is as charming in the daytime as it is after dark. The master bedroom also has a two-way fireplace, tray ceilings, carpet, and a bay window. Suite retreat! Double sinks promote harmony in the master bathroom large enough for two to begin the day! The master bathroom has a separate tile Jacuzzi tub and tile shower, dual sink vanity, upgraded fixtures, tile flooring, and a large walk-in closet with wire shelving. This home has five spacious bedrooms including a huge bonus room. Some of the bedrooms' features include vaulted ceilings, ceiling fans, skylights, and private bathrooms. This home also has three and a half bathrooms. The second bathroom has dual sinks, solid surface countertops, tile flooring, and a linen closet with wire shelving. The half bathroom has tile flooring and upgraded light fixtures. This home has a functional laundry room with a sink, raised panel cabinets, crown molding, tile floors, and a folding table. The large full basement is plumbed for a bathroom. Outside of this gorgeous home, you will love spending your evenings on your concrete patio overlooking your large private back yard. This home also has a built-in sprinkler system and an alarm system. With a 3.5 car garage, you will have plenty of space!
